Hi Ardra,

OGC has concurred on the CRADA with WaterGen and it is ready for signature. We can now accept scanned signatures. However please be sure that all scanned copies are clear and that a final signed version is sent to the FTTA staff.

Please let us know if you have any questions.

Thanks everyone for all of your efforts.

OK! We need to get this signed by the NERL Director and get it to their attorney, Travis Lucas, ASAP.

Here are the latest versions I have – dated Nov. 15. If updates to the SOW have been made since Nov. 15, please make sure I see that version before it goes to signature. I promise an immediate turn around.

Here is Travis Lucas' contact info:
